Biography: Dan Dubois is entering his tenth season in college coaching. He is coaching his fourth season on the touchline as the head coach of the Juniata College Men’s Soccer program, after assuming those duties in January 2007. Dubois spent the 3 previous seasons as the squad’s assistant coach, and also served as an assistant for the Juniata women in 2006.

Prior to arriving at Juniata, Dubois spent a year as an assistant and two as the head coach at his alma mater Southern Vermont College. He earned his degree for Southern Vermont in 2001 after being a four year starter for the soccer program. Coach Dubois promotes a style of soccer that requires his players to be very tactically aware and have a good understanding of how the game is supposed to be played. “I want the players to think the game rather than just play it. A deeper understanding of the game itself is necessary to be able to succeed at a high level so we train in an environment that forces decision making and problem solving.”

Coach Dubois also understands the need for his athletes to succeed in the classroom. His team has earned the NSCAA’s Team Academic Award in every year with the team. Dubois has and Advanced Regional Diploma for the NSCAA as well as his State Goalkeeping Diploma.

Coach Dubois can be reached via e-mail at duboisd@juniata.edu.

Facilities: Few colleges have a more attractive campus than Juniata. The 100 acres on College Hill provide a magnificent atmosphere and safe environment. Campers are housed in one of the residence halls on campus and have access to all the amenities in the residence hall.

The camp will utilize one of the many playing fields on campus. The intramural gym and mezzanine areas as well as the mat room will be available in case of inclement weather. Additional facilities available include an indoor swimming pool and fitness center.
