Meet the Coach

Scott McKenzie
Juniata College
Head Coach

Within just the past five years at Juniata, Coach McKenzie has led the Eagles to some of the best records in school history. Overseeing both the Men’s and Women’s programs, he works to create an explosive and exciting style of play. He has been coaching soccer for the past seven years and holds an Advance National Diploma from the NSCAA. A firm believer in the importance of fundamentals to player development, his camps reflect his dedication to these principles.

JUNIATA COLLEGE
CAMP FACILITIES
The Juniata College soccer camp will utilize the Winton Hill Fields. There is plenty of outdoor and indoor (if needed) space available on the campus of Juniata College to conduct a highly enjoyable soccer camp.

Few colleges have a more attractive campus than Juniata. The 100 acres on College Hill provide a magnificent atmosphere and safe environment. Campers are housed in one of the residence halls on campus and have access to all of the amenities in the residence hall. Additional facilities available include an indoor swimming pool, a fitness center, and a camp store.

DAY CAMP
The Juniata College Day Camp will provide the opportunities to learn new skills and improve on current technique. This camp will focus primarily on the individual development of the player, with an emphasis on ball control, moves to beat opponents, finishing, and other skills. Time will be set aside to allow these newly learned techniques to be used in competitive competitions against other campers in small sided games. Overall as the players continue to develop individual confidence with the ball, we will expand to cover styles and systems of play. This camp will help all players from beginner to advance develop the skills they need to enjoy and succeed at the game. As part of the Select Camp all participants will receive a ball, water bottle and ball bag.

For more information on the Day Camp, contact the Soccer Office at (814) 641-3503.
