**WOMEN’S SOCCER COLLEGE PROSPECT CAMPS**

**Program:** The Juniata Women’s Soccer College Prospect program is designed for the soccer athlete whose ultimate goal is to play at the collegiate level. The coaching staff at Juniata has created a day camp and a weekend camp focused on giving players a sneak peek at the student-athlete experience. The prospect camps include collegiate training sessions, a tour of the campus and information sessions with Q&A at the end.

Because each camp will be limited to the first 30 applicants, players will receive personal attention and numerous opportunities to receive coaching points from the staff throughout training sessions and match play.

Juniata’s coaching staff will evaluate the players on their technical, tactical and physical performance throughout the day or weekend. Players will also get the chance to learn the coaching styles of the Juniata staff while receiving individualized attention.
