Young returned to College Hill in 2001 and served two seasons as an assistant coach for both the women’s basketball and field hockey programs. She also was a residence director on campus.

During her two years as a Juniata assistant, the Eagles posted a 21-29 overall record, and captured one Commonwealth Conference playoff berth. Young assisted with all aspects of the program as an assistant coach.

While attending Juniata, Young was a four-year letter winner as a forward on the Blue and Gold basketball team. She finished her career ranked first in steals (299), second in blocked shots (124), third in assists (291), seventh in scoring (1,045) and ninth in rebounding (596). Young completed her career by earning a spot on the Middle Atlantic Conference (MAC) Commonwealth First Team.

A native of Wrightsville, Pa., Young played out her scholastic career at Eastern York High School, before attending Juniata College and graduating in 2000 with a degree in psychology.
Team Camp

The weekend team camp for high school varsity and junior varsity girls’ teams will focus on getting teams attending as much game experience as possible. There will be practice time available, but the goal will be to have teams play as many games as possible over the three days.

The schedule will have teams playing as many as three games on the first day of the session, four on the second and two more on the final day of the camp. Officials will be provided for the games along with scorers and time keepers, thereby allowing the coaches to focus on coaching their teams.

It’s all about team!

Coaches’ Incentive Package

For each team (varsity and/or junior varsity) a coach is responsible for bringing to camp, that coach will receive one incentive package.

Additionally, coaches may exchange the value of this package to offset the cost of camp for their players.
