Within just the past five years at Juniata, Coach McKenzie has led the Eagles to some of the best records in school history. Overseeing both the Men’s and Women’s programs, he works to create an explosive and exciting style of play. He has been coaching soccer for the past twelve years and holds an Advance National Diploma from the NSCAA. A firm believer in the importance of fundamentals to player development, his camps reflect his dedication to these principles.

SOCCER DAY CAMP

DAYS CAMP

The Juniata College Day Camp will provide the opportunities to learn new skills and improve on current technique. This camp will focus primarily on the individual development of the player, with an emphasis on ball control, moves to beat opponents, finishing, and other skills. Time will be set aside to allow these newly learned techniques to be used in competitive competitions against other campers in small sided games. Overall as the players continue to develop individual confidence with the ball, we will expand to cover styles and systems of play. This camp will help all players from beginner to advance develop the skills they need to enjoy and succeed at the game. As part of the Select Camp all participants will receive a ball, water bottle and ball bag. For more information on the Day Camp, contact the Soccer Office at (814) 641-3503.
